Summary

Outgoing Front end developer from Oslo, who loves creating user-friendly websites. I am highly motivated and results-driven, always pushing myself to deliver top-notch results. I work well in dynamic teams, and bring a mix of technical skills and creativity. I am excited to contribute to interesting web projects and bring them to life!

Work Experience

Assistant/substitute, Espira Evje (Kontrakt), Evje

May 2023 - Present

Assistant/substitute at Espira Evje Kindergarten.

Store manager, Urmaker Larsen, Storo, Oslo

February 2019 - August 2021

Responsible for supervising daily operations, including inventory management, logistics, personnel management, sales activities, and active participation in supplier meetings. I also had the responsibility of meeting sales targets and overseeing minor watch servicing tasks.

Store assistant, Urmaker Larsen (Deltids), Sandvika

June 2016 - February 2019

Sales and customer responsibility for Urmaker Larsen Sandvika, alongside studies

Assistant/substitute, Haug skole og ressurscenter, Haslum

January 2016 - July 2016

Worked where needed as a substitute. This was evenly distributed across all departments at the school

Personal assistant, Bærum kommune (Deltids), Rykkinn

August 2015 - January 2016

Worked as a personal assistant for adults with down syndrome at a care home in Bærum. This was alongside studies at Sonans Oslo.

Social worker, Haug skole og ressurscenter, Haslum

August 2013 - July 2015

Social worker for children with special needs. This involved everything from being a companion in teaching, transportation, and visits outside and within the school premises, to cooking, swim training, and providing general assistance to the students.

Janitor assistant, Sandvika Storsenter (Deltids), Sandvika

August 2011 - January 2014
